

Last Revision Term 3 For Our iPad Users

Objective: To download 3 PDF from the web, save and group these documents in iBook's

- Open up the *sapphiremacusers.wikispaces.com* site in your browser.
- Scroll to *Session Notes 2015*
- Scroll down to *2014 Session Notes* and open
- Go to Term 2 Session Topics (in the 2014 session notes) and open Session 6- *iPad and Mac Users Tasks June*
- Save to *iBook's*

Now

- Return to *2014 Session Notes*
- Go to Term 1 Session Topics and open Session 6 – *Taking Great photos* Topics Tap Rule of Thirds PDF
- Save to iBook's

Now

- Return to *2014 Session Notes*
- Go to Term 1 Session Topics and open Session 2- *Skyping and Facetime*
- Save *Skype* document to *iBook's*.
- Return to Term1 Session Topics and open Session 2- *Skyping and Facetime* and decide how you can save this page to your device. Discuss with those around you why it could not be saved directly to iBook's.

Now

- Open *iBook's* >Tap Select an activate the 3 PDF Documents you have just saved to IBook's by selecting them
- Tap *Move and New Collection*> give the new collection a name such as *Ipad user notes* >*Done*

If you find this a useful way to store information you could add more sessions notes to this collection.

OR

- Use your search engine to locate **three** PDF recipes from the following selection
 - Classic Cornish Pasty-BBC
 - Ginger Fluff Sponge (look for the .PDF in the URL of each of the sites that appear
 - Zucchini loaf recipe
 - Bread and Butter Pudding
 - Vegetarian Casserole
